IPRC Training:

We are in this together;
Helping your community and coalition succeed
September 9, 2008 1:00-4:00PM
Presenter: Jasynda Lacy, MPH, CPP

Building Community Capacity

• Involving community members throughout the SPF-SIG process
• Integrating efforts aimed toward the same goal
• Utilizing and building upon existing resources and experiences in the community
• Building upon knowledge, skills, and strengths in the community
• Mobilizing community members to be involved in all aspects of a project or program

Recruitment and Retention of Coalition Members

• Building membership
• Motivating individuals to become involved
• Obtaining the right mix of people for your coalition
• Leading your coalition to do the work that needs to be done
• Rewarding and recognizing coalition members
