Our ATOD Survey Special Reports can provide local-level National Outcome Measures and other key data for needs assessment, program planning, evaluation, grant applications, and more.

- Strategic Prevention Framework - State Incentive Grant
- Local Coordinating Council Comprehensive Community Plan
- Education Department Grants to Reduce Alcohol Use
- Drug-Free Communities Support Program

Monroe County Community School Corporation
Grant to Reduce Alcohol Abuse (U.S. Dept. of Education).
2008 Award: $327,191

What a great investment!
With a special report, we were able to demonstrate that different groups of kids had different prevention needs. Having this data was a key factor in our being able to select the right programs and receive this grant. The IPRC is a great partner!
